Feels good to hear from everyone

As possible plz arrange offline alumni quickly, Tq so much prema ma'am, sree ma'am and lovely riya ma'am for make a clear view about future ♥

a google meet made especially for batch members would fare better in the subsequent online events. a mix of batches usually leaves us clueless as to who we want to speak with.

The Meet was nice and good, but it would be great if it happened offline

Off-line Alumni meeting would create a better impact on the Aluminis

Nope

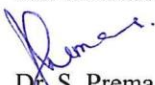

Offline meeting please

My suggestion is to add few therapeutic classes and internships.
